Miniature instructions

What you'll need:

1. Cardstock
2. Scissors
3. Print out below
4. Glue

Instructions:

1. Print the printout onto some card stock.
2. Cut out the solid line of the printout.
3. Place glue all over the back of the printout.
4. Fold the dotted lines under each photo towards the photo so they make a right angle.
5. Fold the small dotted line between the photos in half so that the backs of the photos are together.
6. Fold the small dotted line at the bottom of the Mary Read box back so that it runs along the two other folded tabs, creating a stand for the bottom of the miniature.
7. Wait for the glue to dry and you now have a miniature!

George Wilson
